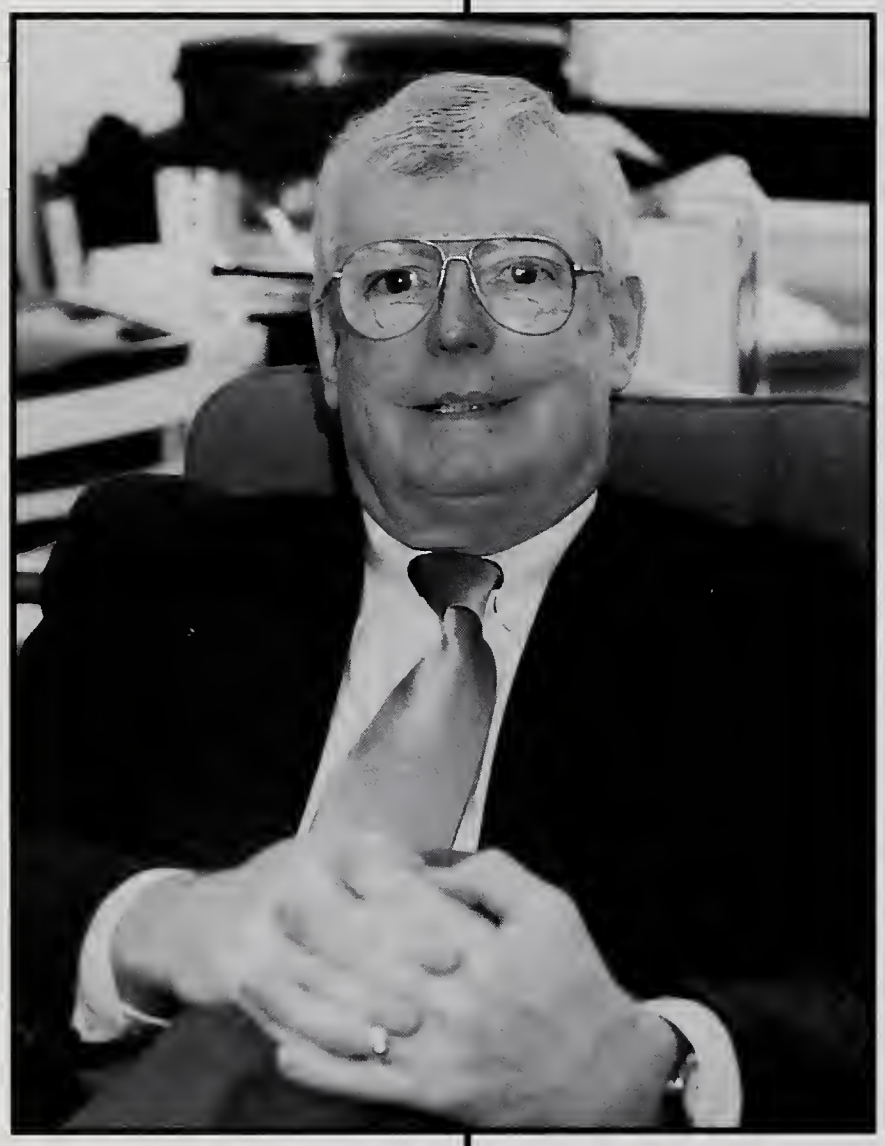
To the Class of 2002

A Message From Mr. Woods



I sincerely wish each and every one of you a future filled with success and happiness. Four years doesn't seem like a long time now that you are looking back at your years at WHS. You probably have some vivid memories of some of your days here as freshman. Now that those days are over and you have journeyed through your sophomore, junior and senior years, I would like to ask that you reflect on that journey and try to focus on the good times, the positive experiences, and, most of all, all those who helped you through your four years. I hope that each of you has reached a sense of completeness as this chapter of your life ends. I hope that you will take with you the wisdom to deal with adversity and the conviction to follow your dreams.

Each of you has made a valuable contribution to WHS. Whether your strengths are in academics, athletics, art, music, or drama, what matters most is that you arrived here everyday with a positive attitude and a pleasant and courteous manner. That is what you will most be remembered for.

Now is the time to continue your journey beyond Wilmington High School. I wish you well. May every experience you have teach you and guide you through your life and help you to fulfill your dreams. Remember to always:

- Give big
- Take less
- Act Fair
- Think long
- Laugh loud
- Sing strong
- Plan bold
- Dream far

The four years that I attended Wilmington High School were great. I remember starting off as a freshman when everything was new to me. I was lucky enough to have some friends who were already here to help me. These four years were so good and very memorable. I just can't believe that I am a senior. That's how fast your four years of high school fly by. When things get tough do not give up, keep fighting and you will get what you want.

On August 28, 1999, the class of 2003 anxiously set foot inside Wilmington High school, as we began a ew chapter in our lives. Graduation seemed years away, but little did we realize how quickly the next four ears would fly by. New friendships were created, and memories were made. Our first important decision as le class of 2003 came in the form of class elections. As a class, we chose Steve Sperandio as our president; eri Gillespie as our vice-president; Rachel DiGregorio as our secretary; and Jenessa Mutchler as our treaurer. We were confident that they would be the best representation of the class of 2003. Fall of freshman ear came and went quickly, with the Homecoming dance, and the annual Thanksgiving football game gainst Tewksbury. The football team went on to become CAL co-champions, along with their CAL co-hampion cheerleaders. The winter and spring seasons also brought about many sports victories, with the ockey team becoming CAL champions, the golf team winning the league, and the softball team also became AL champs. While many of us looked forward to the Freshman Fling in the spring, we were disappointed at he cancellation of this annual event. However, we were equally as pleased with the new combined fling and emi, referred to as the "Flemi" by some.

Sophomore year came with a new dreaded graduation requirement-MCAS! The class of 2003 became the rst class mandated to pass this standardized test in order to graduate. Many were worried, but in the end ost succeeded. With a new year there also came a new class officer; we said goodbye to Treasurer Jenessa lutchler, as welcomed Kristie Crampton to the job. In the world of athletics, there were many successes. he football team defeated our rivals, the Tewksbury Redmen, in the annual Thanksgiving game. They also ent on to clinch the title of CAL co-champions. The golf team won the championship, and the hockey and oftball teams once again took home CAL championships. Sadly, we were forced to say goodbye to a wonerful teacher and coach, as we suffered the loss of Dick Scanlon. He is still missed by all here at Vilmington High School.

Junior year came with thoughts of our first prom & the beginning of our college searches. Our class officrs were working hard, and were reelected for another year. With the beginning of the new school season ame an event that would change our lives forever-the attacks on September 11th. We joined together as a lass and as a school to mourn the losses that our nation endured. Bonded closer than we were before, the ear went on. The athletic program continued to excel, while the golf, hockey, cheerleading and softball eams all went on to earn the title of CAL champs. We celebrated the success of wrestler Derek Hanley, as e became a state champion. The boy's basketball team was the greatest success story of the year, achieving he best record in school history (20-4), and becoming Division 3 North Finalists. We celebrated the end of he year with our junior prom, which was held at the Burlington Marriot instead of the Hillview Country Club, because our class was simply too large to accommodate. Brian Gillespie was crowned Prom King, and enn Estremera was crowned Prom Queen. It was a memorable evening, which was captured on tape by John Maravelis, for us to enjoy and remember forever.

Senior year came sooner then we all expected. We said goodbye to Vice President Keri Gillespie and Secretary Rachel DiGregorio, and welcomed new Vice President John Tobin, and new Secretary Jordan Weiner. We were welcomed back to school with the annual Homecoming dance. Michael Jordan was rowned king, and Lindsay Rosa was crowned queen. The senior girls showed their tough sides in the annual Powder Puff game against Tewksbury, and although it was a close game, in the end we were defeated. The ports teams continued to strive; while the golf team went on to have their fourth consecutive undefeated eason. The year began to wind down, and we began making decisions about our futures. We came together or our prom on May 16 at the Hyatt Regency in Cambridge. It was an unforgettable night. On May 27 we oined together one final time before graduation to have a night full of fun at our senior lock-in. Before we new it, the day we had been waiting for was here. We'd survived 4 years of midyears and finals, good times nd bad, and made it to graduation! On June 1, 2003 we said our final goodbyes. While many of us were appy to leave high school, we were reluctant to say goodbye. However we knew that wherever we traveled n the future, we'd always take with us the memories and friendships that we made here at Wilmington High School.

The underclassmen learned from seniors: Sara Enos, Shannon Gilligan, Shelley Hardimon, Tara Hardimon, Marianne Hery, Brittany Irwin and Lindsey Rosa as well as senior manager Caroline Powers. Both on and off the field the team exemplified true sportsmanship and team work.
